Detalles

ID del barco	**s275997**
Primera botadura	**2010**
Bandera del barco	**Francia**
camas	**44**

Datos técnicos

Calado	**1,25 m**
Tanque de combustible	**400 l**

motor

Modelo	**Nanni Diesel N 4.38**
Modelo	**Nanni Diesel N 4.38**

Equipamiento

Navegación	**anemómetro (B&G), GPS, piloto automático (RAYMARINE ST 8002), radio VHF (NAVICOM RT 650), sonar (B&G), velocímetro (B&G)**
Equipamiento técnico	**ancla (SPADE 25 KG + Chaine 10 mm de 2021), batería (X 2 / 100 Ah chaque), bomba de achique, cargador de batería (CRISTEC 12V / 80 Ah), conexión a tierra 220V, instalación solar (1120W), pescante, pintura subacuática (2025), sistema de agua caliente (40 L)**
Equipamiento de cubierta	**cabina de teca, colchón para sol, ducha en cubierta, escalera de baño**
Equipamiento interior	**congelador, horno (SMVE), mesa en la cabina, refrigerador (DOMETIC CRX 140 DC / 2023 · électrique)**
Entretenimiento	**TV**
Toldos	**bimini-top**
Velas	**foque (sur enrouleur · SPECTRA), gennaker (MYLAR coupe triradiale), vela mayor (lattée à Corne)**

Descripción

AB MARINE ECLIPSE 472 - THE BLUEWATER CATAMARAN, READY TO CAST OFF

Built by AB Marine in 2010, the Eclipse 472 is aimed at crews looking for living space, autonomy and easy handling. At 14.30 m, with four cabins and a rig designed for offshore cruising, this catamaran holds its own ground: seaworthy enough for long passages, straightforward enough for family sailing. Price: €199,000 VAT paid. Flag: FRANCE.

Construction and seakeeping

Composite hull and deck, 14.30 m length, 7.40 m beam and a draft of just 1.25 m: proportions that open up coastal anchorages while delivering the platform stability catamarans are known for. At 6,900 kg displacement, she stays light on her feet under sail. The sail plan combines a fully battened square-top mainsail, a Spectra furling jib and a tri-radial cut Mylar gennaker, with an Incidence boom fitted with lazy jacks and lazy bag, mainsail track and car, and a bowsprit for downwind work.

Power and life on board

Twin Nanni N 4.38 40 HP four-cylinder engines on sail drives show 540 and 530 hours respectively. She cruises at 8 knots for 4 l/h, with a top speed of 14 knots and 400 litres of fuel capacity. Below, four cabins and four berths for eight people, a fitted galley (2-burner gas hob, SMVE oven, Dometic CRX 140 DC fridge from 2023, freezer), 40 L hot water and a solid energy package with 1,120 W of solar panels. Teak cockpit, bimini and exterior cushions round out a boat built for life at anchor.

Inventory

- Fully battened square-top mainsail
- Spectra furling jib
- Tri-radial cut Mylar gennaker
- Incidence boom, lazy jacks + lazy bag
- Mainsail track and car, bowsprit, winch handle
- Anti-UV strip
- 2 x Nanni N 4.38 40 HP, 4-cylinder, 2010 (540 h and 530 h)
- Raymarine ST 8002 autopilot
- B&G depth sounder
- GPS
- B&G log/speedometer
- B&G wind instrument
- Navicom RT 650 VHF
- Bilge pumps
- 2 x 100 Ah batteries + service batteries
- Cristec 12V / 80 Ah battery charger
- 1,120 W solar panels
- Shore power connection, 12V and 220V circuits
- Spade 25 kg anchor + 10 mm chain from 2021
- Lofrans 1500 W electric windlass
- Davits
- Antifouling 2025
- 40 L hot water
- Bimini, bathing ladder, deck shower
- Cockpit table, cockpit and exterior cushions
- Teak cockpit
- 2-burner gas hob, SMVE oven
- Dometic CRX 140 DC fridge / 2023, freezer
- Television
- Rod holders
- Caribe tender with Suzuki 4 HP outboard / 2023

An opportunity to seize

A complete cruising catamaran, well equipped in terms of energy and ground tackle, immediately available for bluewater plans or family cruising. A viewing is the best way to appreciate her volume and level of preparation.

Viewing by appointment at Port Navy Service. Contact: Philippe Froment or Christophe Buhot - Tel: +33 (0)4 42 11 00 55

Port Navy Service is the largest dry port in Europe, with 30 hectares of storage, 120 tonnes of lifting capacity and 35 years of experience at your service
