Descripción

SummaryThe Albin Cumulus 8.5 is a classic 28-foot Swedish cruiser-racer sailboat designed by Peter Norlin and built by Albin Marin between 1978 and 1985is and is an ideal first boat or for downsizers. Known for responsive handling, nimble performance, and easy short-handed sailing she has 4 berths plus 1 small child berth. Yanmar 2GM20 diesel professionally serviced in April 2026. New Saturn Sails sprayhood in 2026 and new Crusader mainsail 2023 with 3 reefs.
DescriptionThe Albin Cumulus 8.5 is a classic 28-foot Swedish cruiser-racer sailboat designed by Peter Norlin and built by Albin Marin between 1978 and 1985is and is an ideal first boat or for downsizers. Known for responsive handling, nimble performance, and easy short-handed sailing she has 4 berths plus 1 small child berth. Yanmar 2GM20 diesel professionally serviced in April 2026. New Saturn Sails sprayhood in 2026 and new Crusader mainsail 2023 with 3 reefs.
Construction Built using traditional 1970s fibre reinforced plastic hull multiple lay up construction techniques in polyester. Chopped strand mat glass fibre has been used for the majority of the hull with woven glass fibre for additional strength in loaded areas with preformed frames and stringers.
The deck and cabin roof is a grp sandwich moulding with increased lay-up, bolts and oversize washers, and backing plates for attaching heavy fittings.
She is Fin keel with transom hung rudder.
Mechanical **Engine**
