Seguridad	**balsa de salvamento (6 Pers.), EPIRB, extintor de incendios (6x), reflector de radar (Echomax Active S/X)**
Toldos	**bimini-top, toldo de cubierta**
Velas	**foque de giro automático, gennaker, guinche eléctrico, spinnaker, vela mayor con sables**

Descripción

The Alibi 54 is an outstanding performance-cruising catamaran developed under the guidance of renowned designer Loïc Goepfert. She combines excellent sailing performance with luxurious comfort, making her ideal for discerning bluewater sailors and regatta enthusiasts. This catamaran is built using state-of-the-art offshore racing technologies, including sandwich construction with carbon reinforcement, a rotating carbon mast, and angled carbon daggerboards for exceptional upwind capabilities and a top speed of up to 27 knots. Her perfect sailing performance and innovative design make her the ideal yacht for fast passages and comfortable long-distance cruising. The Alibi 54 was built in Thailand and outfitted in France. She offers off-grid living with a large lithium battery bank, solar system, generator, powerful watermaker, and air conditioning, perfect for long trips to remote areas. The interior, featuring elegant Burma teak and a modern, light aesthetic, creates an inviting and comfortable atmosphere. A rare opportunity for sailors seeking to combine racing performance and luxurious comfort. The owner is now looking to sell in order to spend more quality time with his family and grandchildren.
