Toldos	**bimini-top**

Descripción

DescriptionGreat Condition - Private Ownership Only. Sought After Model. Jersey Flag.

Few motor yachts have achieved the enduring appeal of the Azimut 62 Evolution and it is not difficult to understand why. Born from the celebrated partnership of exterior designer Stefano Righini and interior designer Carlo Galeazzi, this 19.22-metre Italian flybridge cruiser remains one of the most visually striking and practically accomplished yachts ever to emerge from the Azimut Benetti yard. With flowing lines that draw the eye from bow to stern, panoramic saloon glazing that floods the interior with natural light, and a spacious flybridge perfectly appointed for alfresco entertaining, the Azimut 62 Evolution makes an immediate and lasting impression both at anchor and underway.

POLINA is a well-presented example of the model, offering three ensuite cabins with accommodation for six guests in outstanding comfort. Power comes from twin Caterpillar C18 engines producing 1,015hp per side, a pairing that delivers confident performance, strong offshore capability, and the reassurance of one of the world's most trusted marine engines.

Air-conditioning
Kohler 12kW generator
Raymarine navigation suite
Teak decks
Flybridge wet bar and grill
Tender crane on flybridge

Currently located in Turkey and flying the Jersey flag, POLINA offers a compelling opportunity to acquire a flagship Italian motor yacht with genuine pedigree, proven reliability, and broad Mediterranean appeal.

Mechanical
This Azimut 62 Evolution is powered by twin Caterpillar C18 diesel engines with shaft drives and bronze propellers. She currently has approximately 1700 running hours on the engines.
Kohler 12kW generator with approximately 880 running hours
Air-conditioning and heating system
Bow and Stern Thrusters

Accommodation
Polina offers a well considered three-cabin layout providing private and comfortable accommodation for up to six guests.
The forward master cabin provides a centreline queen berth, large vanity/desk with seat, and ensuite bathroom with sink, head, bidet and large shower cubicle with glass door.
The guest cabin to port features a double berth with ensuite bathroom including a separate shower cubicle
At midships there is a further twin guest cabin with a guest bathroom opposite including a separate shower cubicle.
There is also crew accommodation provided to aft with two single berths and private heads.
The main saloon is a genuinely impressive social space, characterised by panoramic glazing, quality Italian joinery, and a naturally light and airy atmosphere. The galley is well equipped for extended passages and independent liveaboard use.
