Descripción

The Babilja called Jusdan looks very well taken care ofdos stuff on board and depart.

The Babilja named Jusdan is offered because the owner has to say goodbye to the ship after 45 years for health reasons.

The ship is in very good condition and has always been carefully maintained, including a young engine with few hours of operation and a beautiful, safe stainless steel sea rail.

In the winter the ship is always stored in a shed, so the paintwork still looks very good.In other words, stuff on board and sail.
