Brofjord 36 – Solid and Spacious Motorsailer with Plenty of Room
PLEASE NOTE: Newer bow thruster

If you are looking for a solid and spacious motorsailer with plenty of room both on deck and below deck, this Brofjord 36 is certainly worth a closer look.

There is plenty of space to move around on deck, and the wide side decks make it easy and safe to walk from bow to stern. The cockpit offers excellent visibility and provides a comfortable setting while underway.

Stepping below deck, you are welcomed by a spacious and inviting saloon. To starboard, there is a comfortable seating area, while to port you will find a comfortable sofa that can also be converted into an additional berth.

Further forward, amidships, is the boat’s spacious galley. It offers plenty of workspace and all the facilities needed, whether you are preparing a quick lunch or a larger meal for family and guests.

In the bow, you will find another cosy area with space for both sleeping and relaxing. It also provides the opportunity to retreat and enjoy a little more privacy on board.

In short, the Brofjord 36 is a solid motorsailer offering generous space and a practical layout – a boat well suited for both shorter trips and extended stays on the water.

A fine and spacious boat, ready for her next owner.
