Descripción

This Colvic Sailer 296 is a well-equipped cruiser with a decent sailing performance. Featuring a wind generator, solar panel and all the expected navigation equipment this would make a great entry level sailing yacht. With several extended cruises through the French canals to the Mediterranean and extensively cruised across the channel and along the south coast, Davamara provides a range of options for the new owner as a capable cruiser or for use as a liveaboard.
Available for viewing now please call 01305 818541
