Equipamiento interior	**fregadero, quemador de gas**

Descripción

NEW PRICE! ONE-OWNER COMPASS 31 IN NICE AND UPDATED CONDITION EVERYWHERE - A BRAND NEW YANMAR ENGINE (2020) INCLUDED.

The teak deck was subsequently (later) installed by a yacht shipyard, it is made of ‘Burma teak’, sufficiently strong and in good, perfect condition

Compass 31 is a classic long-cooled motor sailer with mahogany wheelhouse and center cockpit.
In the boat there is a brand new 39 HK fresh water-cooled YANMAR diesel engine from 2020, which alone, or in combination with the sails, ensures propulsion - regardless of the weather. The boat's long keel, together with the rudder, provides good directional stability, and the boat is easily sailed by a single person.

There is a spacious U-shaped sofa with a table and a pantry with a sink, gas burner and a refrigerator with a compressor. The forward cabin accommodates two berths, and it is also at the front of the boat that you will find a bathroom with sink and toilet. From the cockpit there is a descent to the boat's aft cabin, where there are two more good berths. There is both cold and hot water on board as well as a diesel heater to ensure comfort.

The boat is also in the technical field in extremely nice and up-to-date condition - there are certainly no "loose ends" here! This solid and well-maintained motoryacht can be seen an hour's drive south of the Danish border.

Please contact Yachtbasen to arrange a viewing.
