Modelo	**Yanmar**

Equipamiento

Equipamiento de cubierta	**fender**

Descripción

This de Jongvlet 8.30 was built at this shipyard in 1961 but underwent a major refit in 2016.

The vlet was originally built with a cabin, but this was removed during a major refit in 2016 to transform it into a spacious and contemporary open vlet. The interior was also thoroughly renovated during this refit. She is in excellent condition and has always been lovingly maintained.

* sundeck with cushion set

* cushion set for front and rear benches

* Built-in top-loading refrigerator
