Seguridad	**extintor de incendios, reflector de radar**
Toldos	**capucha contra salpicaduras, cubierta del parabrisas**
Distributión - camarotes	**cabina de popa, cabina del propietario**

Descripción

The Dynamic 37 is a sporty yet comfortable sailing yacht that will appeal to many sailors.
With its good sail plan and ergonomic cockpit layout, it is very suitable for sailors who enjoy trim options that can be read on the log.
The "Lutine" has been carefully maintained and is ready to go on holiday this season. The cockpit has good seating and all lines lead to the cockpit, thanks to the beautiful Andersen winches (6) and the mainsheet traveler in the cockpit, she is excellent to be manned solo or double handed. The backstays are not necessary as the "Lutine" is a fractional rigged ship compared to other Dynamic 37s. This makes the rig less sensitive and they are mainly used during longer stretches, the current owner also calls them the "turbo" of the trim.
The interior is very neat for its age, the floor panels were replaced a few years ago, giving it a fresh and modern feel. The quality of the shipyard is clearly visible in the robust carpentry and there is ample storage space.
Are you looking for a well-sailing sailing yacht? Then the "Lutine" is definitely worth a visit!
