Detalles

ID del barco	**s315819**

Datos técnicos

motor

Modelo	**Volvo Penta D8**
Potencia	**600 hp (441 kW)**

Equipamiento

Navegación	**compás, radio VHF**
Equipamiento técnico	**bomba de achique manual, cargador de batería, conexión a tierra 220V, generador, impulsor de popa, impulsor de proa, inversor**
Equipamiento de cubierta	**fender**
Equipamiento interior	**horno, lavaplatos, microondas**
Entretenimiento	**CD, TV**

Descripción

We are pleased to offer this **brand new Integrity long range Trawler '470CEPlus'! The price includes 25 % EU VAT and delivery to Denmark.** The Integrity Trawler is **partially custom-built**, according to the buyer's wishes.

The Integrity Trawlers are available in sizes from 34 - 80 feet. There are 18 different models and designs, all built in fiberglass. The Integrity Trawlers are characterized by extremely low fuel consumption (long range) and good seaworthiness. All models are built in category A or B for the European market with CE certificate. The Integrity Trawler is a perfect choice for long-distance blue ocean or canal sailing.

Integrity-Yachts is a reliable and very experienced company with many years of experience in the production of Trawlers since 1981. The yard's factory is located in Guangzhou, China, just two hours from Hong Kong.

All models can be partly built according to special wishes in terms of style and specifications, so that you can furnish your own Integrity Trawler (semi custom built).

The time frame is approximately 1 year delivery time from order to delivery in Denmark.

Please contact Yachtbasen for any further information.

Below is the complete specification for the 470CEPlus.

Specifications New 470 CEPlus - standard equipment

Hull Integrity Planing Hull
Length Overall (inc. 1.2m swim platform) 14.5m (47’ 6”)
Beam 4.54m (14’ 8”)
Maximum Draft (approx.) 1.2m (3’9”)
Sleeping Capacity 6 persons
Fuel Capacity approx. 1700 litres
Water Capacity approx. 950 litres
Holding Tank Capacity approx. 200 litres
Engine Cummins QSC8.3 600HP
Cruise Speed (approx.) 16 knots
Top Speed - WOT (approx.) 22 knots

CONSTRUCTION
Moulded GRP hull white gelcoat
Hull top sides reinforced for light weight
Independent compartments and stringer system
Solid hand laid fiberglass hull bottom with chines to waterline
Vinyl ester resin used in first two outer layers of hull
Water tight collision bulkhead forward
Water tight light weight cored bulkheads/flooring

MECHANICAL AND ELECTRICAL
Acoustic and thermal insulation throughout engine room
Non-skid flooring in engine room
Freshwater cooling on engine
Engine Alarm system
Racor fuel filter
Anti-vibration engine mounts
Fibreglass Exhaust system for engine (Underwater outlet with bypass)
Fibreglass Aqualift exhaust for generator

Ventilation System includes blowers for engine room
Stainless steel propeller shaft
Dripless PSS shaft seal
Steering stock
Rudder locking pin
Bronze propeller
Seawater strainers for engine, genset & aircon
Bow Thruster 12V 6HP
Stern Thruster 12V 6HP
Stainless steel rudder
All hoses double hose clamped below waterline
Ball valves on all seacocks and skin fittings
Hot water heater 40 Litres
Bilge pumps auto with manual override and high water alarms x 3
Manual bilge pump system
Automatic sump pump fitted to all showers
Fresh water pressure pump high volume 12V
Seawater pump for foredeck 12V
Sanitation system with macerator pump out and deck fitting for dock side pump out
Generator 7.5kw
Battery charger/inverter 3kva
House Batteries- 400Ahr - DC, maintenance free
Engine Batteries -110Ahr CD, Genset Battery 110Ahr
All batteries fitted in GRP battery boxes
Battery paralleling system for emergency engine start
LED lighting throughout 12V
Engine room lighting DC
Navigation lights LED internationally compliant
All AC power outlets RCD protected
Bonding system to hull fittings, zinc anode incl. isolator
Tinned electrical wiring. Where applicable coded and labelled
Electrical panel DC with circuit breakers.
Shore power lead 15Amp
Fusion Stereo and speakers
Trim tabs with controls at helm

DECK
Anchor 20kg (45lbs) & 60 mtrs of chain
Anchor locker accessed by 2 hatches on deck
Anchor safety strap
Bow rail welded stainless (316) flag staff at bow
Bow roller stainless self loading
Cleats stainless steel x 8, (Bow x 2, Spring x 4, and Stern x 2)
Docking lines and fenders x 4
Escape deck hatch from forward cabin stainless steel
Exterior courtesy deck lights
Fuel fillers on side decks
Forward facing Portuguese style windscreens in safety glass bonded to FRP frames x 3
Windshield wipers – overhead mounted x 3
Rub Rail with stainless steel insert
Anchor Winch 12V (DC) with foot switches
Non slip on forward deck house, side & foredecks & saloon roof
Recessed drains to walkaround side decks adjoining cockpit area with stainless steel cover panels
Sliding helm door integrated into aluminum framed deckhouse windows
Stainless steel swim ladder

Wash down tap (sea water & fresh) in anchor locker

COCKPIT
Aft seating with teak table
Lockable access hatch to Lazarette storage area
Lockable access hatch to engine room
Flood lights, overhead lighting & courtesy DC
Hand held shower hot/cold
Stainless framed main saloon entrance door with hopper window
Teak laid cockpit floor
Wash down tap, fresh water
Cockpit storage under seating
GRP 1200mm swim platform with non skid surface
Shore power inlet located in cockpit locker

INTERIOR
High quality vinyl flooring throughout saloon, companionways and bathrooms
Vinyl headliner covered ceiling with timber trim design features
Teak Timber satin finish

HELM STATION
Twin helm bench seats, including footrest and storage underneath
Console for instruments
Full engine controls
Compass
Anchor winch controls
Safety monitor panel for bilge pumps
Steering wheel adjustable (leather wrapped)
VHF radio with aerial
Horn electric
Power assisted hydraulic steering
Fuel and Water gauges
Helm sliding door access to side deck

SALOON & GALLEY
Tinted opening glass saloon windows
Microwave -powered off inverter
Induction cooktop – 2 burner
Underbench Waeco 140L refrigerator
Galley benchtop solid surface, twin stainless-steel sinks with single sink mixer (sink cover recesses in benchtop)
Galley storage cabinets and soft close drawers
Top loading rubbish bin space to galley corner with recessed cover
Headliner in high quality vinyl with timber feature to ceiling including lighting
LED lighting overhead 12V
L-Shaped saloon lounge with timber table on fixed pedestal and storage under
High quality vinyl flooring
Roller blinds hidden behind pelmet
Single opening roof hatch in stainless steel with blind

MASTER STATEROOM - FORWARD
Private entrance door
Private access to ensuite
High quality vinyl flooring
Double berth with foam mattress

Hanging lockers port and starboard
Stainless steel escape deck hatch from forward cabin
Roof hatch with screen and blind
Reading and overhead lighting LED (DC)
Storage under berth
Opening portholes – stainless steel x 2

MASTER ENSUITE - FORWARD
Private entrance door
Overhead and vanity lighting (DC)
Opening porthole window - stainless steel x 2
High quality vinyl flooring
Solid benchtop surface including basin with single mixer tap
Extraction fan
Shower stall with glass door, shower rose and non-slip flooring
Overhead roof hatch stainless steel
Vanity with mirror
Fresh water flush toilet
Toilet roll holder
Towel hook

GUEST STATEROOM - MIDSHIP
Private entrance door
Direct access to ensuite/day head
Twin single berths with foam mattress. Twin beds slide together to convert to Queen berth
High quality vinyl flooring
Mirror Hanging locker with drawers
Opening porthole window – stainless steel
Reading and overhead lighting LED (DC)
Storage under berth
