Descripción

 Karnic SL800 — 600 hp to enjoy the sea without compromiseSome boats impress with their space.
Others manage to combine space, elegance and performance in one exceptional package.
The Karnic SL800, from 2024, is a premium day cruiser designed for those who want to enjoy life on the water in outstanding comfort without compromising on exhilarating performance.
This unit is powered by twin Suzuki DF300BTX outboards, delivering an impressive combined output of 600 hp, with only 52 engine hours.
A configuration that provides plenty of power, strong acceleration and the added confidence of twin engines, making the SL800 equally enjoyable for relaxed coastal cruising or a faster, more dynamic day on the water.
On board, space takes centre stage. The generous cockpit is designed to welcome family and friends in complete comfort, complemented by spacious sunbathing areas and excellent circulation throughout the boat.
The cabin adds genuine cruising versatility, allowing you to extend your days at sea and turn a simple day trip into a memorable weekend getaway.
600 hp at your command.
Space to share.
Only 52 hours — and a whole new story waiting to begin.
 Key featuresKarnic SL800
Year 2024
2 x Suzuki DF300BTX
Total power: 600 hp
Only 52 engine hours
Twin-engine configuration
