Distributión - camarotes	**camarote de tripulación separado**

Descripción

Lagoon 421 Catamaran – 2010

Lagoon 421 model of 2010, built by the French shipyard CNB Lagoon (Beneteau group) is a cruising catamaran designed to offer comfort, volume and autonomy, while maintaining excellent performance under sail. It has been designed for both private boaters and rental programs.
With its slender hulls, spacious cockpit and bright saloon, Lagoon 421 stands out for its well-thought-out layouts. Four double cabins and four shower rooms, and one skipper's cabin single berth.
The large U-shaped galley overlooking the saloon makes life on board easier.
The helm station, offset to port, provides good visibility and keeps the skipper close to the cockpit area. Under sail, the boat is stable, secure, and pleasant to handle—even upwind.
Perfect for extended cruising, the Lagoon 421 offers generous storage, good water and energy autonomy

To see absolutely, available in Guadeloupe, French flag, French Caribbean VAT (8.5%) and dock dues paid
