Descripción

She offers a dream vacation sailing from one beautiful island to another. With a blend of crystal-clear waters, hidden coves, ancient towns, breathtaking sunset, and local specialties you will get the best that Adriatic has to offer.
Let catamaran Mala be your floating home where you can experience all of these amazing things. This exceptional yacht is one of a kind in the whole Adriatic. With its especially large beam, it is more spacious than much larger yachts, more stable than any kind of vessel.
It's seaworthy, fast, and elegant. Mala has been carefully refitted by the crew for the 2019 season! She offers accommodation for 6 guests in 3 separate AC & en-suite cabins. All three cabins have a sizeable double bed and private bathroom.
Each cabin is equipped with an air-con device but also features large windows to let in fresh air and plenty of natural light.
Two very large and spacious cabins and one XL master cabin, all en-suite. Catamaran Mala is a perfect choice for a family with kids— it is the safest type of vessel so kids can freely walk around the boat. Catamaran Mala is a great choice for couples who like to travel together but still have their own privacy— she has 3 separate independent en-suite cabins. Catamaran Mala is the only option for people who are after a sailing custom-made holiday in Croatia
