Velas	**génova enrollable, guinche eléctrico, lazy bag, lazy jacks, vela mayor con sables**

Descripción

2024 ROBERTSON AND CAINE LEOPARD 50 - 5 Cabin Crewed Version – L'Aquila

BUILDERS REMARKS: With versatility in mind, we bring to you the next generation of Leopard Catamarans, the Leopard 50. She has been designed to replace one of the best-selling Leopard Catamarans of all time, the award-winning Leopard 48.

The Leopard 50 has the ideal layout for anyone looking for more outdoor living space as she comes equipped with a flybridge that includes a lounge area, table, sunbed and optional exterior speakers and shade awning. Access is provided by floating stairs leading up from the aft cockpit. An important distinction compared to similar sailboat flybridge configurations is that while under sail, passengers can move about the flybridge with ample headroom and never worry about interference from the boom. The flybridge is also situated to still maintain contact with the helm station, an important feature found on all Leopard Catamarans.

BROKERS REMARKS: L'Aquila is a 2024 Leopard 50 in the rare crewed 5-cabin layout, located in Marigot, Saint Martin. Asking price is USD 999,000. Twin Yanmar 4JH57 diesels (57 hp each) with about 786 and 803 hours, Northern Lights / 9 kW generator (about 4,310 hours as of July 2025 — confirm make), air conditioning, flexi-teak flooring, swim/dinghy platform, lighter ash interior, forward cockpit, and flybridge lounge on the hardtop. Professionally crewed; offered for release from the Saint Martin fleet.

AVAILABILITY: This yacht is available for release and sail-away. Contact the Fort Lauderdale office to schedule a viewing.
