Descripción

Malbec 360 is the ultimate sailing yacht for those who want the best of both worlds: a fast and sporty racer that also functions perfectly as a comfortable family cruiser for long, relaxing holidays on the water.

This 36-foot gem is designed by the renowned designer Pablo Mastracchio and built by Oceantech using advanced vacuum lamination, resulting in a light, extremely strong, and stiff hull with outstanding sailing characteristics.

Equipment List

ENGINE & PROPULSION
