Descripción

Remarks :
The Malo 34 is an exceptionally well built Scandinavian cruiser that combines timeless style and design, rugged seaworthiness and expert craftmanship. Malo Yachts are renowned for their build quality and for sailors who value comfort, safety and reliable offshore performance the Malo 34 is the ideal boat. She is equally at home cruising coastlines as she is on extended bluewater adventures.

Built with Malo's signature attention to detail, this yacht offers a solid fibreglass hull, a protected centre cockpit and a warm handcrafted interior with a true feeling of quality throughout. The layout down below is spacious and comfortable, allowing for extended passages with crew, she has a well-equipped galley, a generous saloon, and ample storage.

Under sail, the Malo 34 delivers a confident and balanced performance, with strong tracking ability and a forgiving nature which inspires confidence in all conditions.She has a thoughtful deck design, wide side decks and robust fittings making for safe handling and practical short handed sailing.

'Siskin' Has been well cared for and maintained by her present owner, who has serviced the engine regularly and kept up to date with maintenance.

Included in the sail is a dinghy and outboard motor.This is a rare opportunity to own a world renowned offshore cruiser at a great price.

Accommodation :
Accommodation for 6, comfortably in 2 cabins plus saloon
The forward cabin has a spacious “V” berth with clever 2 level infill (forms a seat or double berth), hull side shelves, two hanging lockers, reading lights and USB ports with opening hatch.
The aft cabin set to port and provides a superb sea berth for long passages, hanging locker, reading lights and USB ports and two opening hatches.
Saloon with U-shaped seating to port with settee opposite around a height adjustable and rotating “Malo” table. The main saloon converts into a spacious double berth to port with a single berth to starboard. Various locker storage, drinks cabinet, reading lights, two opening hatches.
To starboard is the linear “stand up” chart table with chart storage, red and white chart lights, drawers, and locker storage and access to switch board dials and instruments which duplicate cockpit data.
The “L” shaped galley to port is great when at sea as you can brace yourself easily. Equipped with a gimballed 3 burner Eno gas cooker, hob and oven (new 2021), twin stainless sinks (wooden chopping board cover), hot/cold pressurised water, built in top loading fridge with Isotherm compressor and lots of storage.
Large heads compartment with shower, Jabsco sea toilet (new 2020), hand basin hot/cold pressurised water, towel storage, vanity unit with sliding door and mirror.
As you would expect from a Malo yacht the cabin is finished superbly with mahogany wood furniture and teak and holly floor.
All upholstery is finished in a pale blue pattern, with saloon cabins and heads compartments having new curtains (new 2019).
Eberspacher diesel cabin heater
Calorifier feeding hot water
Water is filtered through a Jabsco Aqua filter
