Descripción

A magnificent Pershing 54, an iconic model with timeless, sporty lines, renowned for its outstanding performance at sea.

This exceptionally well-maintained yacht offers a spacious and comfortable interior with three beautiful cabins and three bathrooms, ideal for cruising with family or friends. At the stern, ample storage space ensures real practicality.

On the technical side, the boat is fitted with two fully overhauled 1,200 CV MAN engines, combined with an Arneson surface propeller system – also fully overhauled – guaranteeing an exhilarating ride, efficiency and performance. It also features a bow thruster and a brand-new generator.

The crew cabin has been cleverly converted into a storage area/garage for a tender, providing a particularly welcome extra storage space.

Maintenance has been carried out with the utmost care, with a full history of invoices and over €40,000 worth of recent work and maintenance.

A Pershing 54 ready to sail, combining elegance, comfort and a sporty character. The boat is stored on dry land during the winter.

A viewing is highly recommended!
