Descripción

This 2005 Selene 40 Ocean Trawler is offering an exceptional opportunity for long-range cruising enthusiasts. The yacht has been meticulously maintained and features a Perkins 185HP main engine, a Westerbeke 44HP wing/“get home” engine, and a Northern Lights 7kW generator for added reliability.

Recently, ‘Pace’ underwent an extensive refit in Phuket, which included:

• Full repaint of the topsides and superstructure
• Refurbished teak deck
• New hardtop installed on the flybridge
• Interior re-varnish
• Additional upgrades and servicing

In the past few years, significant maintenance has been completed, such as:

• Copper Bottom antifouling application
• Generator rebuild
• New stern thruster
• Replacement of 2x ‘Tides’ shaft seals and main engine shaft

Turnkey and ready to cruise, this yacht is located right in front of the Asia Yachting office and is available for viewing at any time.
