Introducing the USHIP V230 dinghy!

The new USHIP tender has excellent seaworthiness. Thanks to its inflatable keel which forms a V-shaped hull, the tender offers stability and safety. The floor and the keel are integral with the structure of the boat and inflate in one go to 1 bar. Delivered with 1 aluminium bench adjustable to the length of the boat, 1 pair of oars, 2 oarlocks, 1 inflator, 1 repair kit and 1 transport backpack.

We offer a comprehensive service , including selling clients´boats or facilitating boat exchanges (pending approval) for one from our range of boats for sale.

A 15% discount in our nautic shop is provided for buyers who purchase one our boats!

Southwest Boats also supplies new and used boats.
