Descripción

The owner has instructed us to sell this luxurious vessel with an enormous price reduction. She is now the cheapest yacht of this size / age in the world.
The Versilcraft 88 is exceptionally voluminous for her length, in part down to the contemporary and practical plumb bowline, allowing space for a VIP suite to the front portion of the lower deck. The V88 focuses on bringing natural light into the interior and uses premium finishes and design touches, such as removable paneling and hardwood cabinetry.
